“ I am heartily grateful to Vision IAS for their constant support during my preparation in all the stages of the CSE examination. For prelims and mains, I found the online test series very useful and relevant for the final exam. The support and guidance of Anoop Sir and other faculty members is commendable and helped me in staying motivated when the journey became difficult. Further, resources like Mains 365 have helped me immensely in developing a better understanding about current affairs and in enhancing my analytical abilities. I would again like to thank Vision IAS for being my mentor in this journey. Best wishes.”
