## ABOUT CSAT

The Civil Services Aptitude Test (CSAT), officially known as GS Paper- II is a qualifying paper (with minimum qualifying marks fixed at 33%) in UPSC Civil Services Examination that emphasizes testing the analytical and reasoning abilities of the candidates.

The questions covered areas such as Reading Comprehension; Interpersonal skills including communication skills; Logical reasoning and analytical ability; Decision making and problem solving; General mental ability; Basic numeracy (numbers and their relations, orders of magnitude, etc.) (Class X level); Data interpretation (charts, graphs, tables, data sufficiency etc. – Class X level).

In recent years, the level of difficulty for the CSAT exam has increased significantly thus necessitating due emphasis for this exam. Backed by years of research and analysis of the civil services exam VisionIAS have developed the CSAT Program aligned with the dynamic nature of the examination and expectations of UPSC.
