INNOVATIVE CLASSROOM PROGRAMME 2018

There has been an increasing trend of preparing for UPSC - CSE for year after year by graduates before they find themselves in the final merit list. However, in recent years, many toppers of this examination happened to be fresh graduates. This has proven that preparation for this exam CAN be started during the years of graduation.

Backed by years of experience and ongoing research & analysis of the civil services exam, we have developed our classroom programs completely in tune with the dynamic nature of examination and expectations of UPSC. It is the most comprehensive offering from Vision IAS for those students who are preparing for their CSE attempt in 2018. Apart from classroom lectures, it also includes access to complete study material, full participation in the All India Test Series and continuous expert guidance.

This program offers three courses for General Studies – **Foundation Course**, & **Weekend Course** (Both Online/Offline)

Our Alternative classroom programs share the following features:

- **Differentiated Attention:** We provide personalized, specific & concrete feedback and attention to every student.
- **Continuous Individual Assessment:** Is ensured through regular tutorials, take home assignments, and All India test series.
- **Multi modal expert availability:** Is provided on continuous basis for clearing of doubts and personal guidance. Students can schedule their one-on-one session with our experts on phone, email or even over in-person sittings.
- **Ready, relevant and up to date study material:** Is circulated in advance.
- **Interesting, interactive and innovative:** ways to organize lectures and study material.
- **Technological support:** Faculty and experts make use of animation, power point, videos etc. to make delivery of lecture and study material more interesting and easier to grasp for students. Students are given access to a personalized portal through which they can access the study material, track their absolute and relative performance on various tests, and receive administrative updates and much more.
